

"We are proud and excited to Pre-launch our two new Projects for Early Bird  Offer Price"

"Thulir" (Block B)

"Vidhai" (Block A)

Our Motto and Mission

"We always create trust with our customers and make our customer feel comfortable and happy throughout our Business relationship"

Our company sets goals to provide importance towards our customer needs and accomplish full satisfaction of the customer on priority basis. We also provide high standards in delivering quality and endurance in our projects by tie-ups with highly skilled vendors and resources.

Our Vision

We are one of the blooming real estate developer firms who are making Chennai people's dream come true by serving them to own a house for themselves in this popular city since 11 years. Currently we have completed 62 plus projects around Chennai within a short time frame and delivered to our happy customers with high quality homes. The ultimate goal of our company is to launch as many as projects and satisfy our customer's needs with their full trust and support.
